

Set Top Box Comparison

Experience greater viewing freedom with or without DVR service, in your entire home or just a room.

yondoo Gateway

Enjoy the freedom of viewing your recordings with this multi-room DVR. Record a show on one STB and watch it on another in the house, whether it's the kids room, family room or living room. Plus, with yondoo's Vu-It, seamless integration of LIVE TV, on demand content and streaming services like Netflix and Hulu are right at your fingertips. And with the voice enable remote control, speak and it will listen.

yondoo Hybrid I

This secondary unit interfaces with yondoo Gateway so each TV set with the Hybrid I is connected to the shows recorded on the DVR. Plus enjoy yondoo's Vu-It.

yondoo Hybrid II

Watch your favorite shows PLUS enjoy yondoo's Vu-It platform that seamlessly integrates LIVE TV and streaming services like Netflix and Hulu.

yondoo Mini

Tune into your favorite shows and never miss what is on TV.
